Evaluation and Management Code Changes for 2021

Blue Cross and Blue Shield of Minnesota and Blue Plus will be implementing changes announced by the American Medical Association (AMA) Common Procedural Terminology (CPT) regarding Evaluation and Management (E/M) codes effective January 1, 2021.

The changes include the deletion of CPT 99201 along with redefining the requirements of E/M code levels. Coding reviews will be aligned with the new CPT E/M code level requirements. Please refer to AMA CPT resources to review these changes to ensure proper coding.
