Blue Cross Introduces a New and Easier Way to Find Medical Policies

Searching for Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) medical policies will be easier starting Monday, October 14, 2019.

What's New

Here's what the new medical policy search function looks like. You can search for a particular medical policy by entering a keyword, CPT or HCPCS code, or the policy number. To filter by policy section, click on one of the section buttons below the search box.
