Addition of Drugs to the Oral Tetracycline Derivatives Prior Authorization (PA) Program

Effective April 1, 2019, Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) will require a PA for the following product.

The intent of the PA is to encourage appropriate selection of patients for treatment according to product labeling and/or clinical studies and/or guidelines and according to dosing recommended in product labeling.

Oral Tetracycline Derivatives PA Target Drug
SEYSARA™ (sarecycline)

Products Impacted

This PA program applies to commercial lines of business.

New PA criteria will be posted by March 1, 2019 and may be accessed using the Blue Cross provider link.

- Access **providers.bluecrossmn.com**
- Under Tools and Resources, select Medical policy, then acknowledge the Acceptance statement
- Select View All Active Policies
- Select Pharmacy Utilization Management Programs

CoverMyMeds prior authorization request service

Prescribers can submit ePA drug requests for Blue Cross subscribers who have pharmacy benefits through Blue Cross by either submitting a request through CoverMyMeds's (CMM) free web portal or by sending an electronic NCPDP file to Prime through an integrated Electronic Medical Record (EMR) system during the e-prescribing process.

- To access CMM, go to www.covermymeds.com
- The first time you use the portal to submit a PA, you will need to create a CMM account.
- For help using the CMM site select Support (top of the web page) to view FAQs, CMM physician training webinar offerings, and support options to help you get started.

Questions?

If you have questions, please contact provider services at **(651) 662-5200** or **1-800-262-0820**.
