### **Reminder Payment Policy Auditing System**

As previously communicated in Provider Bulletin P45-18, Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) has enhanced the claims editing system to ensure claims are coded accurately in accordance with established coding guidelines to allow for proper payment. The edits used are consistent with the expectations outlined in the Blue Cross Provider Policy and Procedure Manual and utilizes the Centers for Medicare & Medicaid (CMS), the American Medical Association (AMA) and other specialty academy policies and procedures; as well as proprietary Blue Cross plan specific requirements. Blue Cross continues to implement additional enhancements to the claims processing platform.

### **Lines of Business Impacted**

Commercial self-insured, fully insured and Medicare Advantage products are included. ITS, Federal Employee Program (FEP) and Minnesota Health Care Programs remain out of scope.
