### Update: eviCore Medicare Advantage DME Prior Authorization Code List Update

*The information in this Provider Bulletin replaces Bulletin P41-19, published on May 1, 2019. The only change is in reference to bullet point number five, providers select “Durable Medical Equipment” not “Post-Acute Care”.*

Effective May 31, 2019, the prior authorization (PA) requirement will be removed for several CPT® codes on the eviCore Medicare Advantage Durable Medical Equipment (DME) Prior Authorization code list. Removed codes relate to accessories or features of wheelchairs and wheelchair repair as well as low cost items such as canes, crutches, orthoses and certain prostheses.
