

# NETWORK ADEQUACY WAIVER INFORMATION

## 2021 High Value Network – Small Group Plans

The High Value Network includes a range of health care providers in the service area. There are some areas in some counties where the network does not have any covered providers in some specialties.

This list shows the counties and the specialties where the Minnesota Department of Health has approved a network adequacy waiver. (To search this document, press the ctrl key + the f key.)

To find a doctor, specialist, hospital or clinic in your area, you can use our [Find a Doctor](#) tool to select and search the High Value Network.
