

BLUE CROSS VISION NETWORK

Broad access to national and regional providers while offering significant savings

With a Blue Cross and Blue Shield of Minnesota Vision plan, members get access to a large national network of eye care providers that includes top retailers, as well as access to online providers.

EASY ACCESS TO A NATIONAL NETWORK

Blue Cross Vision uses the Davis Vision network, a national network of private practices and retail locations that include ophthalmologists and optometrists. Members have more than 1,900 access points in Minnesota and more than 131,000 access points nationally.¹ Some of the regional and national retail locations include:

Regional retail locations

- Clarkson Eyecare
- For Eyes
- Eyeglass World
- Eyemart Express
- Meijer Optical
- Midwest Vision Centers
- MyEyeDr

National retail locations

- Target Optical
- Pearle Vision
- America's Best
- Visionworks
- Costco Optical
- Walmart Vision Centers
- Sam's Club

TOP OPTICAL RETAILERS PARTICIPATE

including Visionworks, Costco, Walmart and Sam's Club²

Convenient access to online providers

In addition to retail locations, members have access to leading online providers, too. This convenient option includes a seamless integration with vision benefits and automatic claims submission. Some of the online providers include:

- 1800contacts.com
- glasses.com
- befitting.com

Find an eye care provider

Members can find an in-network provider when they visit bluecrossmn.com/FindAnEyeDoctor. When searching for a provider, members can filter the search based on specialty, where the provider is located, what collections they offer and types of discounts.
