Home Health Provider Reimbursement

Effective July 1, 2014, payment to Providers for Home Health Agency Health Services shall be the lesser of Provider's regular billed charges or the amount detailed in the Provider Service Agreement. All payments shall be minus any applicable Subscriber or other party liabilities (e.g., deductible, coinsurance, non-covered Health Services, and coordination of benefits with other health plans, employer liability plans, Workers' Compensation, or automobile insurance plans) (collectively, "Other Party Liabilities"). Provider agrees to accept such amount as payment in full.
