Changes to Blue Plus MHCP prior authorization list

Blue Plus is updating the prior authorization list for Minnesota Health Care Programs (MHCP) members. The current prior authorization list is located on the Blue Cross and Blue Shield of Minnesota website at providers.bluecrossmn.com.

Effective **December 16, 2013**, the following services/items will no longer require a prior authorization:

- Deep Brain Stimulation
- Hearing aids
- In utero surgical procedures
- Sacral Nerve Stimulators
- Septorhinoplasty
- Tysabri® (Natalizumab)
- Wound Vacs
- Xiaflex®
