## Change in claims payment for Medicaid-only members of SecureBlue and CareBlue

CareBlue and SecureBlue are both Medicare Advantage Special Needs Plans which are open to members who are eligible for both Medicare and Medical Assistance (Medicaid), and to members eligible only for Medical Assistance. Medicare covered health services furnished to Medicare members of these Plans are reimbursed at the rate indicated in the **Amendment to the Agreement – Medicare Programs** which amends your Provider Service Agreement(s). Effective **January 1, 2009**, Health services furnished to members without Medicare Parts A and B will be reimbursed as stated in the Minnesota Health Care Programs provision of your applicable Provider Service Agreement, as renewed annually by Blue Cross and Blue Shield of Minnesota.

For CareBlue and SecureBlue members without Medicare please bill services as you would normally submit for Medicaid-only members. These members will have one of the following group numbers indicated on their member ID card:
