## Provider information

June 28, 2012

### Home Health Services

This is a reminder to home health providers regarding claim submission requirements. All home health services are required to be submitted using the 837I electronic claim format. The appropriate revenue code(s) must be submitted for the services provided. Associated HCPCS codes must also be submitted on each line or the line may be denied for additional information.

Additional information regarding home health services is available in the online Blue Cross and Blue Shield of Minnesota Provider Policy and Procedure Manual, Chapter 11, Home Health, Home Infusion and Hospice section.
