## Availity completing their HIPAA 5010 system migration

Availity will be completing their HIPAA 5010 system migration December 30, 2011, through December 31, 2011. This final system update will result in a short delay in processing HIPAA 5010 transactions including but not limited to claims and remittances. Please visit Availity's website at [Availity.com](http://Availity.com) for additional information.

Distribution: Available on providers.bluecrossmn.com for all providers

QP26-11
