

# QUICK POINTS

Blue Cross and Blue Shield of Minnesota  
and Blue Plus

March 19, 2009

## Provider section of [bluecrossmn.com](http://bluecrossmn.com) enhanced

Blue Cross and Blue Shield of Minnesota and Blue Plus recently made changes to the “for health care provider” section within [bluecrossmn.com](http://bluecrossmn.com) to make it more user-friendly. For new providers, the “join our network” section was revised to add more information about the contracting and credentialing process. For providers already in our network, a “make updates” section was created with answers to the most commonly asked questions, as well as direct links to any necessary forms.

### Questions?

If you have any questions, please contact provider service at **(651) 662-5200** or toll free at **1-800-262- 0820**.
