Change to Certification of Need Form for Special Transportation Services

Effective June 1, 2017, Minnesota Health Care Program (MHCP) subscribers enrolled in Prepaid Medical Assistance Program (PMAP), MinnesotaCare, Minnesota Senior Care Plus (MSC+), or SecureBlue (MSHO) that utilize Special Transportation Services are required to complete a Special Transportation Level of Need (LON) form which was formerly called the Special Transportation Certification of Need (CON) form.

Subscribers whose CON form is expiring will be notified by Blue Plus that they need to have the LON form completed by their attending physician, nurse practitioner, clinical nurse specialist, or physician assistant working under the delegation of the attending physician.

As a reminder, Minnesota State Law prohibits reimbursement of special transportation for MHCP subscribers without a current and approved LON form.

The LON form is available on our website at providers.bluecrossmn.com, select forms: clinical operations.
