## PROVIDER INFORMATION

October 17, 2017

### **ICD-10 Grouper Updates**

Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) will be updating its APR-DRG and EAPG groupers to accommodate the October 1, 2017 release of new ICD-10 codes on November 18, 2017. Claims submitted with the new ICD-10 codes that are processed between October 1, 2017 and November 18, 2017 will be reprocessed.

In the future, Blue Cross will update our systems on a quarterly basis as new industry standard codes are released. In an effort to allow time for APR-DRG and EAPG groupers to be updated and tested, new industry standard codes will be implemented within approximately 8-10 weeks of the release date. Claims submitted with the new industry standard codes between the release date and implementation date will not be reprocessed.
