### **Prenatal Health Assessment (H1000) Denial for PMAP Subscribers**

Per the Minnesota Department of Human Services (DHS) Fee Schedule, procedure code H1000 is not eligible for reimbursement. Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) will no longer reimburse code H1000 (Prenatal care, at-risk assessment) as of January 1, 2018. Blue Cross will reprocess claims that have been denied for Prepaid Medical Assistance Program (PMAP) subscribers prior to January 1, 2018, as the code was incorrectly denying prior to the effective date of this change.

#### **Products Impacted**

This only applies to subscribers that have coverage through PMAP.
