Disclosure of Ownership Form

Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) makes every effort to assist providers in the ease of complying with the annual Disclosure of Ownership and Business Transactions document. This document is required in accordance with Minnesota Department of Human Services (DHS) rules. To support ease of administration of this requirement, Blue Cross utilizes a uniform document applicable for any provider participating with any Minnesota health plan. Blue Cross also reminds providers of the need to complete this form during the annual renewal process and makes the form available electronically on its website. In addition, providers can simply email their completed form to Blue Cross at the email address noted below.

As we begin the new year in 2018, to effectively comply with DHS requirements, this Quick Points is a reminder and a request for all providers participating with Blue Cross to complete and submit the Disclosure of Ownership form annually via email at DisclosureStatement@bluecrossmn.com. The form is accessible on our website under Forms & Publications then forms-clinical operations for your convenience.
