Update: Centurion Moving to Blue Cross for Claims Administration Services

This Provider Bulletin is being re-published due to a correction in the group number. Provider Bulletin P76-17, dated December 7, 2017, incorreccted stated the group number as 10279006. The correct group number is 10279686.

Effective January 1, 2018, Centurion of Minnesota LLC (Centurion), will be using Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) for health care claims administration services and will be using the BlueCard PPO network. Blue Cross will be handling account management, eligibility files, claims processing and provider payment for this client.

No ID cards will be issued; however, each person will present a 12-digit ID number at the time of appointment. For billing purposes, providers should use the patient's MNDOC number preceded by "DC1" (e.g., DC1234567) for the member ID and 10279686 for the group number. The alpha prefix for this plan is XZE.

Centurion has an agreement to provide managed health care services to offenders in the state's correctional facilities through the Minnesota Department of Corrections. Centurion is a joint venture between Centene and MHM Services Inc., a national leader in providing behavioral and other healthcare services to correctional systems. Electronic claims (837I or 837P) should be submitted to Blue Cross.

Effective January 1, 2018, all provider inquiries should be directed to **1-800-605-7013**.
