### Updated Commercial Prior Authorization Lists

In order to further assist providers, Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) has revised its commercial pre-authorization (PA) lists. The service categories that require a PA have been updated to include the procedure and/or HCPCS codes for reference to assist in determining the services that require a PA submission. The codes that are included are for informational purposes only, and are subject to change without notice. Inclusion or exclusion of a code does not constitute or imply subscriber coverage or provider reimbursement.
