Blue Cross Will Cease Mailing Certain Provider Bulletins

As of April 2, 2018, Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) will begin publishing monthly Provider Bulletins and posting them on the first business day of each month on the bluecrossmn.com website. Effective May 1, 2018, Blue Cross will no longer be mailing Provider Bulletins that are published on the first business day of the month. If additional Bulletins are published on a day other than the first business day of the month due to a business need, the Provider Bulletin will be mailed to impacted providers in addition to being posted on the website. These changes support ease of access and administrative efficiency for providers and Blue Cross and will reduce the use of paper to be environmentally friendly. Provider Bulletins will continue to be available on our website as well as on Availity's provider portal.
