Non-Covered Procedure Codes for Minnesota Health Care Programs

Blue Cross and Blue Shield of Minnesota and Blue Plus (Blue Cross) has identified a limited number of procedure codes that are not eligible for reimbursement for Minnesota Health Care Programs (MHCP) member's claims. Non-covered codes are those listed as Fact Code 4 on the Department of Human Services' published fee schedule which can be found at:

<https://mn.gov/dhs/partners-and-providers/policies-procedures/minnesota-health-care-programs/provider/billing/fee-schedule/>

Effective with claims processed beginning on May 1, 2022, edits will be implemented resulting in denials for these procedure codes as non-covered under the benefit set. Providers that have agreements identifying specific codes for reimbursement should continue to submit the code(s) for appropriate claims adjudication.

Products Impacted:

- Blue Advantage Families and Children (F&C)
- Minnesota Senior Care Plus (MSC+)
- SecureBlue (MSHO)
- MinnesotaCare (MNCare)
