Skilled Nursing Facility (SNF) Benefit Information for Medicare Advantage

Blue Cross and Blue Shield of MN is clarifying the Skilled Nursing Facility (SNF) benefits for Medicare Advantage members.

Medicare Advantage members have a benefit for up to 100 skilled days per benefit period for care provided in a SNF. The Medicare Advantage benefit period is defined as “admission to discharge”. For Medicare Advantage members ONLY, the benefit renews with each admission.

The benefit does not renew when the member has been transferred from one SNF to another as this is considered the same admission.
