D. Background Information about SecureBlue's Network Pharmacies

This part of the Directory provides a list of pharmacies in SecureBlue's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

SecureBlue members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service.
- Read the SecureBlue *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about SecureBlue network pharmacies in your area, please visit our website at bluecrossmn.com/secureblue or call Member Services at the number at the bottom of this page.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and SecureBlue's *List of Covered Drugs* (Drug List). You can find the *List of Covered Drugs* on our website at bluecrossmn.com/secureblue or you may contact Member Services at the number on the bottom of this page.

D1. Types of pharmacies in SecureBlue's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Chain pharmacies
- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) pharmacies serve Native Americans and Alaska Natives and others under limited circumstances.

If you have questions, please call SecureBlue Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

The call is free. **For more information**, visit bluecrossmn.com/secureblue.

You are not required to continue using the same pharmacy to fill your prescriptions.

You can use any of the pharmacies in our network.

D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** You can get up to a 90-day supply for most prescription drugs at most retail pharmacy locations or mail-order pharmacies. A 90-day supply has the same copay as a 31-day supply. For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs provided through mail order are drugs that you take on a regular basis, for chronic or long-term medical conditions.
- **90-Day Retail Pharmacy Programs.** You can get up to a 90-day supply for most prescription drugs at most retail pharmacy locations or mail-order pharmacies. A 90-day supply has the same copay as a 31-day supply.

If you have questions, please call SecureBlue Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

The call is free. **For more information**, visit bluecrossmn.com/secureblue.

E. SecureBlue's List of Network Pharmacies

This part of the Directory includes a list of SecureBlue's network pharmacies that **participate in and accept** SecureBlue. Providers are listed by county. To find a provider in your area, look for your county or one near you and then choose a provider.

If you have questions, please call SecureBlue Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.
