New Provider Toolkit

Blue Cross and Blue Shield of Minnesota (Blue Cross) has created a Provider Toolkit to assist the employees of both new and established providers. The Provider Toolkit contains answers to commonly asked questions regarding processes and the location of information on the website.

The Provider Toolkit can be accessed from the Self-Service section of the provider landing page on www.bluecrossmn.com or directly at <https://www.bluecrossmn.com/providers/provider-toolkit>

Please access the information on the website and share this link with employees who would benefit from this information.
