Fetal Alcohol Syndrome Education Opportunity

Blue Cross and Blue Shield of Minnesota (Blue Cross) would like to share an educational opportunity provided by Proof Alliance.

Proof Alliance is a foundation dedicated to decreasing the prevalence and impacts of fetal alcohol syndrome. The Pediatric training will begin September 2023 and run through January 2024. Prenatal training will take place from February 2024 through June 2024. Health centers may participate in one or both training courses.

For more information on the training, please visit safestchoice.org.
