

## COMMERCIAL REIMBURSEMENT POLICY

### Performance Measurement Codes

Active

**Section:** General Coding  
**Policy Number:** 072  
**Effective Date:** 05/01/24

#### Description

This policy addresses how Blue Cross and Blue Shield of Minnesota (Blue Cross) reimburses Current Procedural Terminology (CPT®) Category II Codes and those services designated on the National Physician Fee Schedule (NPFS) Relative Value file with a Status M indicator on a professional (837P) claim.

#### Definitions

**Status M Indicator:** A code classification data element found on the NPFS which indicates a code that is used for reporting purposes only.

**CPT Category II Codes:** A set of supplemental tracking codes that can be used for performance measurement.

#### Policy Statement

The Status M policy is based on the Centers for Medicare and Medicaid Services (CMS) National Physician Fee Schedule (NPFS) Relative Value File.

This Blue Cross policy is consistent with the NPFS status M indicator assignment code list. These services, which include CPT Category II codes, are informational only and not eligible for reimbursement.

#### Documentation Submission

Documentation must identify and describe the services performed. If a denial is appealed, this documentation must be submitted with the appeal.

#### Coverage

Eligible services will be subject to the subscriber benefits, the applicable fee schedule amount, and any coding edits.

#### The following applies to all claim submissions.

All coding and reimbursement is subject to all terms of the Provider Service Agreement and subject to changes, updates, or other requirements of coding rules and guidelines. All codes are subject to federal HIPAA rules, and in the case of medical code sets (HCPCS, CPT, ICD), only codes valid for the date of service may be submitted or accepted. Reimbursement for all Health Services is subject to current Blue Cross Medical Policy criteria, policies found in the Provider Policy and Procedure Manual sections, Reimbursement Policies and all other provisions of the Provider Service Agreement (Agreement).

In the event that any new codes are developed during the course of Provider's Agreement, such new codes will be paid according to the standard or applicable Blue Cross fee schedule until such time as a new agreement is reached and supersedes the Provider's current Agreement.

All payment for codes based on Relative Value Units (RVU) will include a site of service differential and will be calculated using the appropriate facility or non-facility components, based on the site of service identified, as submitted by Provider.

## Coding

The following codes are included below for informational purposes only and are subject to change without notice. Inclusion or exclusion of a code does not constitute or imply subscriber coverage or provider reimbursement.
