**FlexRx Preventive Drug List**  
Large Group  
Effective January 1, 2024

Your employer may have elected to include a Preventive Drug coverage feature with your prescription benefit plan. Below is the list of medications available under your Preventive Drug coverage. The actual cost of the medication will be applied toward the preventive benefit offered by your employer, allowing you to receive coverage even if you have not met your deductible.

This list will be reviewed at least annually and is subject to change at any time.

The drugs listed below are grouped into broad categories. Each category includes an alphabetical list of drugs. Generic prescription drugs are shown in lower-case boldface type. Many generic drugs include mention of a brand name drug in parentheses as a reference. Some generic drugs have no reference to a brand. Brand prescription drugs
