Home delivery from Amazon Pharmacy

A quick and easy way to get your medicines<sup>1</sup> delivered at home.

As a Blue Cross and Blue Shield of Minnesota member, you have access to MedsYourWay™, a prescription drug discount card program.<sup>2</sup> With MedsYourWay you'll have up to 80 percent savings<sup>3</sup> on brand and generic medicines<sup>4</sup> and it's seamlessly built into the Amazon Pharmacy experience.

## SHOP

### Easy to use

Amazon Pharmacy makes it easier because it's just like shopping on Amazon.com.

- Easy sign-up, which includes the option to have your account auto-populated with your prescription history
- Option for 90-day fills
- Pharmacist on call 24 hours a day, seven days a week
- Ability to manage your medicine and view order history

## SAVE

### Built-in drug discount card

Some drugs may be available at lower prices with a discount card. MedsYourWay discount card pricing is built right into the Amazon Pharmacy experience — no card required.

- At checkout, you'll see the lowest cost available for your medicine. That's the price you'll pay.
- MedsYourWay discount card pricing is not insurance. However, all prescribed and covered purchases<sup>5</sup> automatically count toward your annual out-of-pocket maximum — whether you're paying a copay or using the discount card pricing.

## SHIP

### Free home delivery

Skip the pharmacy line with home delivery.

- Free, fast delivery: Amazon Prime members get two-day free shipping on most orders. Standard free shipping for non-Amazon Prime members is five days but can be expedited to two-day delivery for \$5.99.
- Real-time package tracking from order to delivery

<sup>1</sup>Amazon Pharmacy does not dispense Schedule 2 controlled substance drugs.

<sup>2</sup>MedsYourWay prescription drug discount card, administered by Inside Rx LLC, is not insurance. You are responsible for the cost of prescription(s) when using the card. Limitations apply.

<sup>4</sup>Non-specialty medicines only.

<sup>5</sup>If your medicine has an unfulfilled requirement, the cost may not count toward your (accumulator) out-of-pocket maximum. Typical requirements include prior authorization (PA) needed, quantity limit exceeded or step therapy needed.
