

\$5/\$10/20%/45%/33%

Prescription drug coverage with Group MedicareBlueSM Rx (PDP)

Prescription drug costs can add up quickly, so managing these costs is important. Group MedicareBlue Rx is a prescription drug plan that provides coverage for the drugs you may take today and protects you from the high cost of drugs you may need in the future.

Convenient coverage with a nationwide pharmacy network

- **Coverage you can rely on:** Get coverage for generic, brand-name and specialty prescription drugs
- **Accessible pharmacy network:** Fill your prescription at participating network pharmacies across the U.S., including independent pharmacies, national chains and more
- **No deductible:** Coverage starts right away with plan copays or coinsurance

Benefit level	30-day supply	90-day supply
Tier 1: Preferred generic	\$5 copay	\$10 copay
Tier 2: Generic	\$10 copay	\$20 copay
Tier 3: Preferred brand	20% coinsurance	20% coinsurance
Tier 4: Non-preferred drug	45% coinsurance	45% coinsurance
Tier 5: Specialty	33% coinsurance	33% coinsurance
Coverage gap Begins after your total drug costs for the year reach \$5,030	30-day supply: You pay your usual \$5 copay for tier 1 drugs and \$10 copay for tier 2 drugs. 90-day supply: You pay your usual \$10 copay for tier 1 drugs and \$20 copay for tier 2 drugs. You will generally pay no more than 25% of the plan's costs for all other generic and brand-name drugs on tier 3, tier 4 and tier 5.	
Catastrophic coverage Amount you pay for a 30-day supply after you have paid \$8,000 in out-of-pocket drug costs	During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing.

Convenient coverage from Blue Cross® and Blue Shield®

Explore our online resources to get the most out of your benefits. The drug list, also called the formulary, supplemental drug list, and the pharmacy network search tool are available online at YourMedicareSolutions.com/GroupPlans.

Enrollment and eligibility

You can enroll in Group MedicareBlue Rx if you meet the following eligibility requirements:

- You are entitled to Medicare Part A and/or enrolled in Medicare Part B
- You live in the plan's service area
- You are a U.S. citizen or lawfully present in the U.S.
- You are identified as an eligible plan participant by your employer

You must continue to pay your Medicare Part B premium, and Medicare Part A if applicable, if not otherwise paid for by Medicaid or another third party. You may only enroll in one Part D plan at a time.

Medication Therapy Management program

If you meet certain requirements, you may be eligible for our Medication Therapy Management (MTM) program at no cost. The program helps you and your doctor make sure your medications are the best for your needs. You will be contacted if you are eligible for the program.

Mail order

Our plan's mail order service allows you to order up to a 90-day supply. For more information about filling your prescriptions by mail, contact one of our mail order pharmacy providers, visit YourMedicareSolutions.com/GroupPlans for more information about mail order pharmacies.

Specialty drug coverage

Medicare classifies specialty drugs as certain unique and high-cost medications that can be complex to dispense and may involve patient education. Our specialty drug coverage gives you access to these types of medications. Specialty drugs include injectable antibiotics, transplant drugs, certain chemotherapy drugs and other self-injectable or administered drugs.

90-day supplies

Get a 90-day supply of your prescriptions by mail or at retail pharmacies that offer extended day supplies for two copays or the coinsurance.

If you would prefer that we send you information in a language other than English or in an accessible format, please contact Group MedicareBlue Rx customer service. If you have special needs, alternative formats are available. Please call customer service for more information.
