

SAVE MONEY ON HIGH-COST MEDICINE

FlexAccess™ HDHP

Managing long-term health conditions often comes with high-cost prescriptions. FlexAccess can help you lower your out-of-pocket costs by finding the best copay assistance discounts for you, which can make your drugs cheaper.

MORE THAN A COUPON

FlexAccess connects you with the appropriate manufacturer coupon for your drug. In addition to lowering the amount you pay at the pharmacy FlexAccess also:

- **Offers more options** – You may have more pharmacies to choose from*
- **Applies to spending totals** – What you pay for your purchases — not including amounts applied by coupons — will count toward your deductible and out-of-pocket maximum

Once the coupon funds are applied, you will be responsible for your plan deductible and out-of-pocket maximum. Act now to unlock the savings. If you do not register, you will be responsible for your copay without assistance.

*Pharmacy options dependent upon plan benefit design.
