Disabled Not Disposable: A Virtual Conference on Health Equity | Wednesday, November 29 from 10 AM to 3 PM CT | REGISTER FREE TODAY

Blue Cross is sponsoring this virtual Health Equity conference.

Please join a free, virtual CME conference focused on advancing health equity for the disability community. This conference will provide education on caring for patients with disabilities by centering the discussion on the experiences that people with disabilities face within the healthcare system and how you can improve the quality of their care. This virtual conference is open to all healthcare professionals. This conference is planned and presented by a partnership between Gillette Children's, the Minnesota Consortium for Citizens with Disabilities, Special Olympics MN, and individual volunteers with disabilities.

Registration Information

To register for free and view the full conference agenda and speakers, please click the link below to access the registration page. After registering you will receive an email confirmation that will contain instructions on how to access the virtual conference.
