## D. Background Information about SecureBlue's Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** SecureBlue and have agreed to provide prescription drugs to you as a member of the plan.

Please contact SecureBlue Member Services at the numbers listed at the bottom of this page or your Care Coordinator for assistance.

SecureBlue members must use network pharmacies to get prescription drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the SecureBlue *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about SecureBlue network pharmacies in your area, please visit our website at [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue) or call Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Member Handbook* and SecureBlue's *List of Covered Drugs*. You can find the *List of Covered Drugs* on our website at [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue) or you may contact Member Services at the number on the bottom of this page.

### D1. Types of pharmacies in SecureBlue's network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare prescription drugs that are given

**If you have questions**, please call SecureBlue Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue).

through a vein, within a muscle, or in another non-oral way by a trained provider in your home.

- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

You are not required to continue using the same pharmacy to fill your prescriptions.

## D2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. A 90-day supply has the same copay as a one-month supply. For certain kinds of drugs, you can use the plan's network mail-order services. Generally, the drugs provided through mail order are drugs that you take on a regular basis, for chronic or long-term medical conditions.
- **90-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. A 90-day supply has the same copay as a one-month supply.

**If you have questions**, please call SecureBlue Member Services at 1-888-740-6013, TTY 711, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30. The call is free. **For more information**, visit [bluecrossmn.com/secureblue](http://bluecrossmn.com/secureblue).

All network pharmacies are available to SecureBlue plan members.
