Blue Cross Dental plans include coverage for certain pediatric dental services. This plan is not exchange-certified and does not qualify as the pediatric dental essential health benefit under the Affordable Care Act.

The Value Premium Plan provides coverage for many preventive dental services, including exams and cleanings, at 100 percent when you see a dentist in or out of network. This plan has no deductible.

Jr. Dental

100 percent coverage for dependent children 12 and under with no deductible or annual plan maximum on all covered services.

Orthodontic care is excluded. Standard plan limitations apply. Out-of-network services may be subject to balance billing.

In addition, you receive a discount for services not covered by your plan when you see select dentists in the network. Numerous network dentists participate.

As a Blue Cross Dental member, you'll have access to the United Concordia Advantage Plus AXS network, one of the nation's largest dental networks. Choosing a dentist in the network provides significant savings.

To find a provider, visit **bluecrossmn.com/FindADentist**.

Dentists who provide discounts for non-covered services have a "**\$ave!**" symbol next to their name.

For specific coverage details, talk with your benefit administrator, sign in at **bluecrossmn.com** or call customer service at the number on your dental ID card.

There is no benefit waiting period. Your coverage begins on the first day of your plan's effective date.

When you receive services from nonparticipating providers, you are responsible for the difference between the allowed amount and the billed charge.

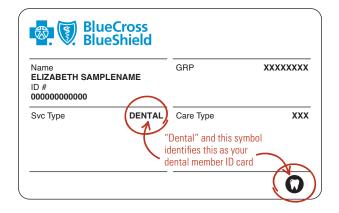

This plan provides dental coverage only. Your dental plan's benefit booklet will provide a detailed description of the coverage and contain more details on standard plan exclusions and frequency limitations. In the event there is a discrepancy, the benefit booklet will supersede this summary.

YOUR NEW MEMBER ID CARD

When you've enrolled in a Blue Cross Dental plan, you'll be sent your new Blue Cross Dental member ID card. If you also have a Blue Cross medical plan, you will have an ID card for your dental plan and a separate ID card for your medical plan. Use your dental ID card when you want to access benefits through your dental plan.

United Concordia Companies, Inc. is an independent company providing dental benefit management services and access to the Advantage Plus AXS network.

Each dental provider is an independent contractor and not our agent. It is up to the member to confirm provider participation in their network prior to receiving services.

Consult our online provider directory at **bluecrossmn.com/FindADentist** to search for a dentist. Dentists with a "**\$ave!**" symbol next to their name accept allowances for services not covered by the benefit plan, including services rendered after the annual maximum has been exceeded; not available in all areas.
